

## **Life Settlement Awareness Month® Limited Space Available**

*Life Settlement Solutions, Inc. (LSS) Celebrates Five Years of LSAM®*

May 20, 2010 12:48 PM Eastern Daylight Time

SAN DIEGO--([EON: Enhanced Online News](#))--Life Settlement Awareness Month (LSAM)® is receiving tremendous interest from financial, investment and insurance professionals and registration is already sixty percent full.

Registration for the month-long educational celebration, hosted and presented by LSS, opened at the end of April on the [www.lifeselementawarenessmonth.com](http://www.lifeselementawarenessmonth.com) events page. LSAM®, founded in 2005, is designed to bring timely industry education to financial professionals and others interested in or currently participating in the life settlement asset class.

"We are amazed at how quickly this year's events are filling up with registrations," said Larry Simon, president and CEO. "There have been a lot of changes to the entire country's financial climate, and it is clear that professionals are hungry for information about viable asset classes."

---

**"That has always been the impetus for Life Settlement Awareness Month® and will continue to be no matter what changes occur in the industry."**

---

All events are web-based and free to attend. The schedule is as follows:

- June 1 – Fundamentals of Life Settlements
- June 3 – Advanced Strategies and Case Studies
- June 8 –Part 1 - Current Opportunities and State of the Market (*Qualified Participants Only*)
- June 16 – Broker Panel: Understanding Providers and Brokers
- June 22 – The Life Settlement Marketplace - Regulatory Climate; Market Trends
- June 24 –Part 2 - Portfolios, Securitization, Settlement Allocation impact on overall Portfolios (*Qualified Participants Only*)

"We believe that it is critical to a successful entry and practice in the life settlement industry for professionals to have sufficient educational resources in their arsenal," said Simon. "That has always been the impetus for Life Settlement Awareness Month® and will continue to be no matter what changes occur in the industry."

As in previous years, there will be fundamentals and advanced courses available, as well as a 50-state-

approved continuing education course for life licensing.

Space is limited and pre-registration is required. Events are open to financial and insurance professionals, and qualified institutional participants of all experience levels. To register, visit
